Subject: Hey man, Gregory Smith here (pleasure and biz)

Steve, trying to give you a buzz but who knows what you may be up to :)

I hope that all is going well, it has been a minute.

If you got my voice mail from Friday, basically the situation we are touching base about deals with Sweet Water.

We have a client that did the original artwork for Sweet Water and has the copyright for the same. It is our understanding that Sweet Water is being purchased and so, we feel it is imperative that the potential buyer is aware that the underlying artwork for the branding, logo and trademarks are owned by our client. My partner, Matt Hoots is running this matter and so I am basically doing a introduction email here so he can fill in some of the details.

But, please let us know if you are representing Sweet Water on this purchase agreement or if your limitation is limited to prosecuting their trademarks.

Sorry we did not hook up on the phone but would love to catch up if you have a minute.

With all the very best,

Gregory Scott Smith
